1 Download the app

Download the free "Panasonic Music Streaming" app from the store on your smartphone/ tablet.

iOS : App Store

Android : Google Play™

2 Open the app and follow the on-screen instructions

Select ALL9 or ALL6.

Connect.

NOTE:
Do not connect the LAN cable.

Turn on the unit.

Wait until the network indicator stops blinking in blue and red, and starts blinking in blue.

The blinking in blue starts after approximately 60 seconds. If the blinking in blue does not start, restore the factory defaults. (see Operating instructions)

Enter the password for the wireless network that you want to add.

iOS :
Before following the step above, follow the steps below.

1. Go to wireless settings on your smartphone or tablet.
2. Select "AllPlay []_AJ".*
3. Type a device name, select your network name (SSID) and type the password.

* This can sometimes take 1 minute to appear.

3 After a short wait ...you're connected!

The network indicator lights up in blue.

In case you are not connected automatically, please re-select your Wi-Fi network from the settings / Wi-Fi settings menu on your device.

Further Support

For more information and other network setting methods, refer to the Operating Instructions.
