## Basic Operations

- The number after the button shows the location of the button described in the previous page.

### Base unit

#### ■ To make a call

Lift the handset. → Dial the phone number **(14)**.  
→ Talk.

#### ■ To receive a call

When the phone rings, lift the handset. → Talk.

#### ■ To place the current call on hold

Press  **(12)** during a call. (You can place the handset on the base unit.)

#### ■ To retrieve the held call

- If you have returned the handset on the base unit, lift the handset.
- If you have not returned the handset on the base unit, press .

#### ■ To transfer the held call to the cordless handset

Press  →  during a call. (→ When you use multiple cordless handsets, press **(1)** - **(6)** (Intercom No.).) → Place the handset on the base unit when the other party answers.

#### ■ To use TAM (Telephone Answering Machine)

When you leave home, press  **(7)** to turn on the indicator. (To deactivate, press  again to turn off the indicator.)

→ When receiving a call while TAM is activated, it answers the call automatically in Japanese, and records the incoming messages. Then, the  indicator starts flashing.

→ When you return home, press  to play back the messages. The  indicator turns off and the answering mode is deactivated.

After playing back the messages, press  **(15)** twice to erase the messages or press  to keep the messages.

To play back all messages while TAM is deactivated, press  **(8)** →  **(6)** to

select “**すべて再生**” →  **(機能/決定)** **(9)**.

After playing back the messages, press  twice to erase the messages or press  to keep the messages.

\*Up to 99 messages can be recorded for approx. 120 minutes in total.

#### ■ To hear recorded messages while away from home (Remote control)

##### Preparation before you leave home

Store a remote control number.

With the handset placed on the base unit, press

 **(機能/決定)** →  **(#)**    →  **(機能/決定)** →

Enter the desired 4-digit number. → Press  **(機能/決定)**.

 **(機能/決定)**, then press  **(機能/決定)**.

When you leave home, press  to turn on the indicator.

##### To hear messages

Dial your home phone number. → While the outgoing message is played back, enter your remote control number. → Announcement. →

Press  **(4)**. → You will hear recorded messages if any.

##### NOTE

- This operation can be made only from a touch-tone phone.

### Cordless handset

#### ■ To make a call

Lift the cordless handset from the charger and press  **(外線)** **(33)**. → Dial the phone number **(27)**.
